Tammy Story  
SD 16

Faith Winter  
SD 24

## NARAL Pro-Choice Colorado & NARAL Pro-Choice America

believe these are the candidates who will stand with women against federal overreach and will fight for access to the full range of women's healthcare, including access to safe and legal abortion. Colorado's women's health policy has been held back for too long by an anti-choice controlled State Senate, but there is a path to a pro-choice majority that supports women.
